Evanston Youth Lacrosse and Evanston Baseball and Softball are proud to be partners in “keeping our eyes on the ball” by sponsoring the **Positive Coaching Alliance** to promote our common primary goal:

To provide a positive, encouraging, and constructive environment in which our young athletes can thrive and enjoy their competitive sports experiences.

EBSA and EYLA train coaches in the art of positive coaching, sportsmanship, and encouragement while striving for superior skill development. Civic Pride has united us in offering this seminar to help parents contribute to the broader goal of making Evanston’s Youth Sports Culture the best that it can be.

We ask each participating family send at least one parent/guardian to this seminar.

Each attendee will receive either: 1 ticket voucher for ANY Chicago Machine Professional Lacrosse Club Home game or 1 EBSA “Play Catch” T-shirt.

Positive Coaching Alliance (PCA) is a national nonprofit organization founded with the mission to transform the culture of youth sports to give all young athletes the opportunity for a positive, character-building experience.
